

PROVENANCE CERTIFICATE

Source Authenticity Declaration

Evidence ID	ps_863ff245-b432-442b-96a5-4fbcce5985cc
Domain	www.youtube.com
Page title	3 Minutes: Interview with Kamala Harris - YouTube
URL	https://www.youtube.com/watch?v=bWvrHQOlul
Captured	Fri, 08 May 2026 16:56:35 GMT
SHA-256 (screenshot)	239b651a3a3ab84c61baf124a51c168e4d51e0da6b124aaaa26400c351e931ad
Browser	Chrome/147.0.0.0 (MacOS)
Extension	ProofSnap v1.15.0
Captured by	rmotycka@getproofsnap.com

Package integrity: SHA-256 hashes of all files in manifest.json (signed RSA-4096)

INTEGRITY CHECKS

STATUS

Live browser capture (not file upload)	PASS
Automation / headless detection	PASS
NTP time verification (3 sources)	PASS (±1087ms)
DNS cross-verification (2 sources)	PASS
TLS certificate valid	PASS
Device integrity score	PASS (100/100)
Blockchain timestamp	PASS (SUBMITTED)
eIDAS qualified timestamp	PASS

ANTI-DEEPPFAKE DECLARATION

This evidence was captured directly from a live web browser session at the source URL. Device integrity checks confirmed no automation, headless browser, or content injection was detected. Time and DNS were independently verified from multiple sources. The capture process is documented in the ISO/IEC 27037:2012 forensic log with a tamper-evident hash chain.
